

Dear potential RLY teacher training student,

Thank you for your interest in our course. The Radiant Light Yoga Teacher Training is a full immersion journey into all aspects of the Path of Yoga.

During this year of study you will learn to live a Yogic lifestyle, to truly apply the teachings to every moment of life, and to lead a safe, supportive, and transforming yoga class. Our focus is on helping those who have a sincere desire to dive deep into a Yogic Life, and to be of service to others.

If you are seriously considering Teacher Training with us it is essential that you have a consistent Yoga and meditation practice. If your practice is sporadic, begin now to dedicate more time to yoga. It is preferable that you are attending Radiant Light Yoga classes to attune to our style. If you live outside the Sunshine Coast area (Queensland) check out our website for teachers in your location. We have graduates currently teaching in the Brisbane area. Personal practice is essential as well.

Yoga is a process of dissolving the veils that cloud our clarity. As we shed these restrictions, we begin remembering who we really are, free from the confines of past conditioning. To assist in this unfolding, we ask you to abstain from any mind-altering substances during the 12 months of the program. This includes alcoholic beverages. Yoga is not just a practice; it is a lifestyle. Begin now to embrace the path of Yoga and a more clear and awake way of being.

Here is an idea of a typical YTT day:

Each day we start with chanting & meditation, then a balanced Radiant Light Yoga asana flow, then we take a single asana and explore all aspects: benefits and cautions, safety and alignment, and hands on adjustments. After lunch there is philosophy (including Yoga Sutras of Patanjali, Bhagavad-Gita, & Meditation), anatomy and physiology for yoga teachers, pranayama, and other special topics and workshops such as teaching children, seniors, etc.

Please answer the questions in the application clearly and honestly. Read carefully the list of details and commitments required for the course. Upon acceptance you will need to send us a \$300 deposit to ensure your space. After September 1, 2017 this money will not be refunded if you choose to drop out.

We are always overjoyed to meet new students who are ready and willing to commit to the journey of Self-discovery through Yoga. Each group becomes a deeply bonded spiritual family as we share in the joy of Yoga.

Namaste,
Adam & Maaji
